2011

Term 3
26 July - 30
September 2011

Term 4
10 October—16
December 2011

Apologies and Thank You

A big thank you to the CDU Book shop and the CDU Café for their kind donations to the Mother's Day raffle Our apologies for not acknowledging your kind donation

Also a big thank to our parent Chantel Wagenaar for her assistance at our stall at the Tropical Garden Spectacular

LOST PROPERTY

As we are coming close to the end of term, families need to check the lost property box for any missing items. There is a reasonable amount of lost clothing, hats etc

Ms Anne and Mr Bruce's Reading Group

Year 5 students have been studying volcanoes. Ms Anne and Mr Bruce's reading group came to Casuarina Library where Ms Lisa did a special tour and showed the students how to search for books, information and DVD's. A BIG thank you to Ms Lisa! Kaylyn, Nun, Aaron, Jett and Braydon created a volcano and made a little village inside a yellow tray. They placed vinegar, red colouring and red glitter inside their volcano.

When everything was ready, Aaron added the bicarb soda mixed with water. Swoosh! The volcano erupted and the lava spread everywhere destroying the trees, leaves, soil, house and cars. After such a busy day, the students enjoyed a delicious BBQ lunch. They felt very sleepy but had to go back to school!

Farm, Kitchen and Garden Corner

Well the cool weather is here, and we will be making wonton soup and Asian goodies this week, in between sports day. Next week is our final kitchen session and each class has been working on their plans for our final "Banquet". Each class has chosen a different menu and location for their lesson. It will show the amazing skills students have learnt throughout the term.

The garden is looking better every week and this Thursday is our last Thriving Thursday of the term. We would love you to come along between 4 and 6. Just come and have a look and enjoy the garden. It would be great if you want to come down and bring a picnic. I may even fire up the barbeque! I would like to thank again, the great help we got at Sustainable Living Festival

We are still really keen to hear from any volunteers for next term as we don't have any in our classes at the moment. You can contact- emma.lupin@ntschoools.net or phone the
