From the Principal

Dear Parents,

You are invited to take part in the Parent Opinion Survey. This survey is conducted by National School Surveys and aims to help Alawa Primary School to understand parents' perceptions. The information gained from this survey will assist school management to address areas of concern, and make recommendations to facilitate improvements to your child's learning environment.

All information is kept completely confidential and the survey is anonymous. We would appreciate it if you would consider your eldest child who attends this school. Both parents may complete the survey independently. This will take about 10-15 minutes and you will also have the opportunity to provide further comments at the end of this survey.

To complete the survey, please click on:

If for some reason, you are unable to access the survey online, please contact Mrs Briant to request a paper-copy.

Thank you for participating.

Please ensure that you complete the survey by May 20, 2011.
