

# Important Information regarding Parking and Student Safety.

Parents/Carers please **DO NOT** drive on or over footways.

Parents/Carers please **DO** at all time consider the safety of children and stagger your afternoon pick up time - from 2.45pm onwards it is extremely easy to find a park or pull into the Kiss and Go Lane. The children are supervised while they wait to be collected.

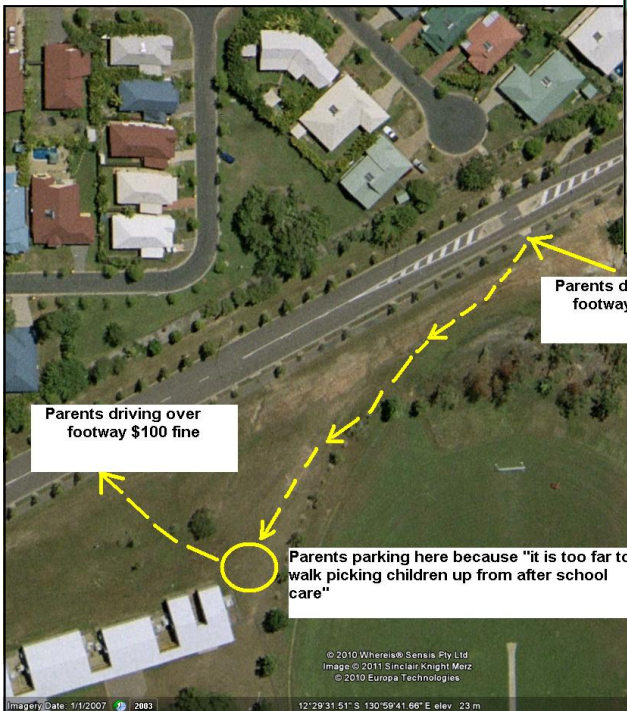

Vehicle reversed over a footway alongside a school at home time. Is there a child behind the vehicle? Dangerous and illegal (Penalty \$100)

The example photos in this flier illustrate that some parents/carers have not understood the safety messages that we regularly convey through our weekly newsletter. Palmerston Rangers will be conducting patrols of the area around the school on a regular basis. Offending drivers will be receiving infringement notices for these dangerous manoeuvres that are putting children at risk.

Vehicle driving over a footway within metres of bus stop Highly dangerous and illegal \$100 penalty

Parents driving over footway \$100 fine

Parents driving over footway. \$100 fine.

Parents parking here because "it is too far to walk picking children up from after school care"

Google Earth image of Buscall Avenue where parents are driving across footway to park next to the oval to collect children from After School Care. Please choose safety over convenience.

Vehicle driving over a footway within two metres of children and a bus stop. Highly dangerous and illegal Penalty \$100
