MURAL COMPLETED FOR FESTIVAL

As part of our Art class, we painted a mural to brighten up the community. Ideas were taken from the students and put together to make one design.

COMMUNITY MAINTENANCE COURSE

With a bit of help from Steve, we built a new stage for the festival, repaired the seats around the oval and made some furniture for the school. It was hot and hard , but we NEVER complained.

OTHER STUFF

Some of us are making photos to sell at the Barunga Festival.

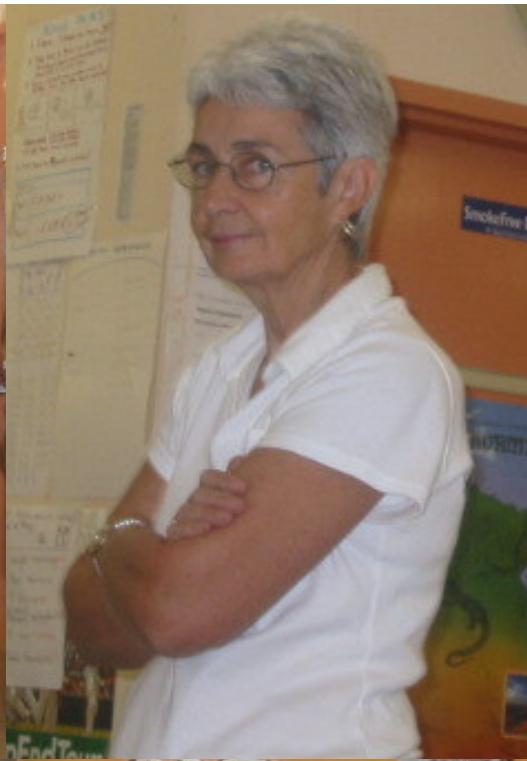

SPORT

Thanks to Terry for organising a sport day against Minyerri. AND a weekend at Daly River for a game of basketball. The girls came second and the boys team came in third.

Our darts champion

Cordell models our new basketball uniform.
