

ADULT NIGHT CLASSES

Fact Sheet

Balloon Twisting

Balloon twisting can be great fun. With a few balloons, and a little bit of patience, you'll find yourself the star of the next party as you make a "puppy-dog", a "flower" or a "sword". It's fun, simple and really rewarding so have a great time ...no matter what age you are!

Tutor Profile

Sonia Tabe has a passion for creating things! Whether it is a Star Wars or Harry Potter costume for a visit to a Supernova pop culture expo ("where imaginary meets reality for one really 'cool' weekend" says Sonia) or balloon twisting at birthday parties or fundraising events, she enjoys every opportunity to share her creative joy with others. Join her as she loops, twists and ties balloons together to create colourful creatures, large and small or makes animal and hat balloons to brighten up the face of a child – or any adult big enough to admit it!
