

ADULT NIGHT CLASSES

Fact Sheet

Italian Beginners

Learning a foreign language takes time and effort. Some people want to learn a foreign language for practical reasons, some aspirational, some intellectual and others sentimental, but whatever your reasons, having a clear idea of why you're learning a language can help to motivate you in your studies.

Italy has drawn visitors in search of culture and romance for many centuries. Few countries can compete with its classical origins, its art, architecture, musical and literary traditions, its scenery or food and wine. Without knowledge of the language the charm and allure of Italy may not be fully appreciated. Italy is a member of the European Union and provides access to that marketplace for Australian companies operating in Italy.
