

ADULT NIGHT CLASSES

Fact Sheet

Japanese Beginners

Learning a foreign language takes time and effort. Some people want to learn a foreign language for practical reasons, some aspirational, some intellectual and others sentimental, but whatever your reasons, having a clear idea of why you're learning a language can help to motivate you in your studies.

This is for people with little or no previous knowledge of Japanese language Roma-ji and authentic characters. Basic conversation will be taught along with some elementary reading and written work. Some Japanese customs for business and social use will also be discussed.

Beginners

The beginner course will offer the student the opportunity to

Describe the appearance of people

Use language appropriately for greeting, leave taking, thanking and apologising
