Art is a visual form of expression. No one is left trying to cope with new concepts on their own. The emphasis is on developing your own individual style and approach, plus achieving a sense of satisfaction. Work at your own pace and it will be a pressure free environment. A basic 'start-up' kit is provided but students may need to supplement this with further boards/canvases, paints, brushes and rags.

Assessment

This is not a certificate course and there is no formal assessment for this course. Due to the flexible nature of Adult Education classes, parts of the curriculum may be adapted to suit the needs of the class.
