

Workready Program

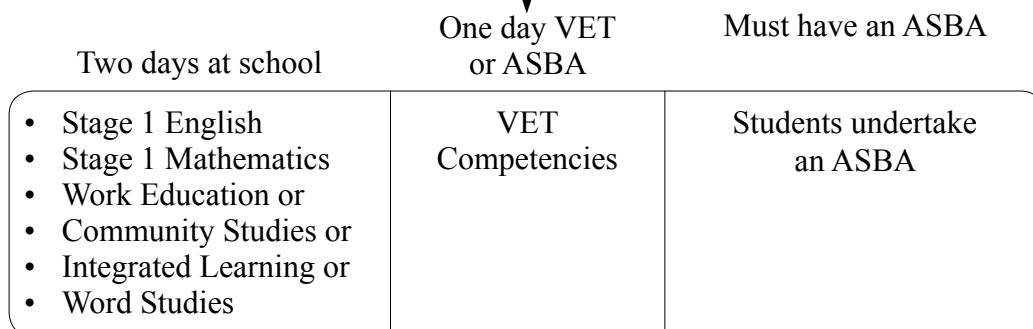

YEAR 10

Begun the process of sourcing an Australian School Based Apprenticeship (ASBA) and participate in the workforce.

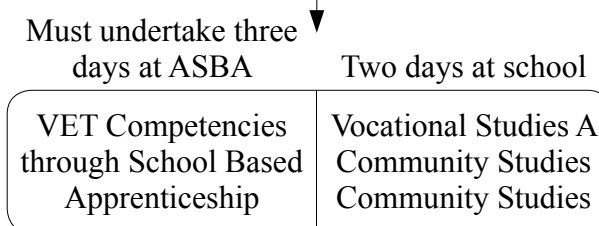

STAGE 1 Semester 1

STAGE 1 Semester 2

STAGE 2

Note: Stage 2 Workready subjects do not count towards a TER. Students are able to complete their NTCE through achievement in VET competencies.

Casuarina Senior College aims to provide an outstanding education and quality outcomes for all students through the provision of rich learning experiences and a varied curriculum designed to maximise student engagement.

Students are able to access all subjects without incurring tuition costs. A number of subjects also offer extended learning experiences which are optional and for which the College Council will seek the reimbursement of associated costs from parents of participating students. Examples include additional materials, excursions, etc. Indicative reimbursement costs for subjects containing extra-curricula activities are identified throughout the handbook by an asterisk (*).

For further information please contact the College on 8920 1211.

Workready Program stage 1

Workready Program

Program Description

This program provides students with the opportunity to study Stage 1 NTCE subjects while undertaking either a school based apprenticeship or VET study. The aim of the program is for students to complete their NTCE and begin work place experience and qualifications. Students attend school two days per week and spend the other three in either work placements or in school based apprenticeships. All classes are undertaken in the Workready classroom with dedicated classroom teachers. Students have the opportunity to choose from a range of industry areas including automotive, electrical, childcare, construction and hospitality. Students must have begun looking for an apprenticeship to be considered or have signed up for a VET course.
