YEAR 10

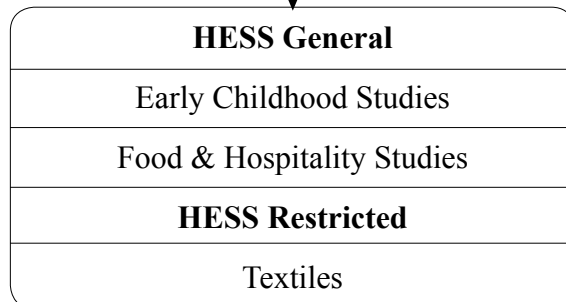

**STAGE 1
Semester 1**

**STAGE 1
Semester 2**

STAGE 2

VET

Casuarina Senior College aims to provide an outstanding education and quality outcomes for all students through the provision of rich learning experiences and a varied curriculum designed to maximise student engagement.

Students are able to access all subjects without incurring tuition costs. A number of subjects also offer extended learning experiences which are optional and for which the College Council will seek the reimbursement of associated costs from parents of participating students. Examples include additional materials, excursions, etc. Indicative reimbursement costs for subjects containing extra-curricula activities are identified throughout the handbook by an asterisk (*).

For further information please contact the College on 8920 1211.

No prerequisite.

Working with Food

Subject Description

This course will enable students to design, prepare and cook basic food items. The majority of the work will involve practical demonstrations and skill development. It will provide them with an insight into the principles of healthy eating. This subject is for students who would like to learn to cook or for those who would like to improve their skills.
