

Humpty Doo Primary School Newsletter

Week 2 Term 1 5 February 2010

Principal's Patter

It has been a pleasure to walk around the school during the first two weeks. I have been really pleased with the children's efforts both in the classroom as well as the playground. On my visits to each room, the work I have looked at and the tone of the room has been excellent.

On Wednesday we held our first assembly and it was fantastic to see 1/2 Feige get up and perform to the whole school after only having a few days to prepare. Well done to the whole class. Also congratulations to 5/6 Williams for running such a fine assembly.

It was very pleasing to see quite a few parents come along to the assembly and share the time with their children. On the issue of having parents in the school, it is a good time to mention that several teachers have suggested that they would like to have parent helpers in their classrooms who could come and support reading or group work. If you would like to help in a particular classroom, could you please contact the front office with your name and phone number as soon as possible.

Could I also ask, if any parent paid their normal school contribution on Tuesday the 2nd of February, would they please contact the front office as we need to confirm some details. You can contact the office on 89881255.

Meet the Teacher' Night

School staff have discussed the issue of having a Meet the Teacher night at the beginning of the school year. Over the past two years these nights have not been well attended so we have decided to hold a school open night in week 9. On this night parents will be able to visit their child/children's classrooms, look at the work students have been doing, meet the class teachers and specialist teachers and have a look at the new interactive whiteboards and how they are being used in classes.

I realise there are parents out there who would like to meet their teachers before this. Teachers are very happy to meet parents earlier if they wish to do so. Therefore, I invite any parent who would like to meet their teachers before week 9 to ring the school and make an appointment with the ladies in the front office.

A final reminder that next Tuesday night will be the first School Council meeting of 2010 and any interested parents are invited to come along.

Have a great week.

Eric Smith & Graeme Matthews
