

### **Selection of teams at cluster level**

The same rules need to be applied across the cluster selection

1. Student must attend the cluster day
2. Student must be willing to organise a billet
3. Student to meet all financial costs
4. Student willing and able to attend training
5. Student's ability in the sport and a positive team attitude

### **Exceptions**

1. Exceptions will only be considered if the Cluster Co-ordinator receives a written letter for consideration within 3 working days of the squad selection
2. Student must have been selected in a school team/ or prior arrangements had been made to attend cluster day
3. Tribunal will meet the decision Tribunal will consist of the cluster co-ordinators and the three elected Presidents of the exchange regions  
the meeting will discuss circumstances- for student to enter training squad. Not team selection.

### **13 year old high school students.**

High schools are responsible for arranging students to attend exchange cluster day. Students must attend cluster day to be considered for selection. Exchange co-ordinators do not chase up 13 year olds. Robyn has Manton and Wetlands calendars.  
Contact should be at least one week prior to event.
