WOW GUYS ON THE NIGHT INCLUDING TICKET SALES, RAFFLE TICKETS, HEADS & TAILS, CHEAT SHEETS, BAR SALES & DOUBLE-UPS WE TOOK APPROXIMATELY \$4000!!!

A “massive huge thank you” to everyone for their assistance at the Quiz night last Friday. By all accounts we had a lot of happy campers!!

Our kids should be dollars better off because of this fundraiser & we as team officials should be closer as “a team” for the experience. As team leader I enjoyed working with you all.

For those who were not team officials, but parents & very helpful volunteers, a million thanks also. We had some fun times too working things out, and you have some great ideas for the future. I would like to especially mention the families of Peta & Gary Pollack and Andy & Mandy Carrieria for extremely generous donations of time & energy. Nothing was ever too much trouble for these guys both before the event, and on the night. Special thanks to Judy Ward for her special efforts, even though she was unwell, and had a houseful of rellies.

To Pauline and Brian, wow what a presentation!! The Power Point was great Pauline and Brian the variety of “Quiz stuff” and questions were both interesting and challenging! A very appreciative thank you from all of us, as we all know the time & effort you put into it. Ta!!

To the School Sport NT office staff who are always keen to be involved and help thanks “Cute Cat” Lidia & Alex, and to the Red-Headed “Tart” Kim, many thanks as well.

Special thanks also to:

- Julie Kellam for meeting & greeting
- Daria Mitchener & Rose Gerlach for raffle selling – who sold the most in the end? Thanks to both for harassing people to fill tables also.
- Pat Munn & Lyn Delaney for marking – great job as there were lots of geography questions!
- Yvonne Harding for organising the score board with her most beautiful handwriting. Yvonne also provided wine prizes, and slabs of cake for supper.
- Trevor Read for holding up the Bar, last minute milk runs, and collecting the pizzas.
- Chrissy McGee for selling “cheat sheets” and providing prizes.
- Jo Jo Wrerford for working hard at her tables
- Trish Cryer for helping to set up, especially with IT and then trying to answer her table questions!! Thanks also for your donation of wine prizes.

- Christine Armitstead for rounding up family for her table.
- Tanya Hazel wins first prize for rounding up the most tables, 4 at last count!
- Rosanne Fuller gets a special mention for filling a table even though she lives in Alice – it's handy to have a hubby in Darwin who does what you tell him ☺
- Jason Ivinson for his mobile phone prize – coaching at a grand final was his weak excuse for not coming!
- Steve McGugan for rounding up his table.
- Pam Adam for her A-Mart voucher prizes.
- Sharyn Smith for finding her prizes, even though she couldn't come
- Clare Labowitch for providing prizes even though she was interstate
- Amanda Bagley for her prize donations, even though she had to spend her evening with the Mayor and her Pre-Schoolers.
- Robert Thorne for his spooky set decorations (ladders), for collecting the grog all the way from Pit Stop Liquor in Palmerston, picking up pizzas and for filling a table.

A big thankyou to all those who stayed behind to clean up, it was a large task, made small by the many hands. It is true, many hands do make light work, thank you again.

For those who were unable to make it, provide prizes or get tables, you could still help us by purchasing some of the leftover grog.

We have:

Tooheys Blue Midstrength and Cascade Light Cartons for \$30ea
Bottles of Lindemans Red Bin 50 Shiraz & White Bin 65 Chardonnay
for \$15 per bottle.

We took \$4000 but we still have bills to pay (grog). However, you could help us raise the bar, by purchasing this excess bar stock. If you're interested, please give Lidia a call at the Office on 89480025.

Please stay tuned for our next team official fundraiser...a film night at the Deck Chair Cinema in October. Some of our parents are also looking to organise more fundraisers next term. How are you all going with your 2 x \$200 business card sponsorship?

Thanks once again for your fantastic effort!!!
