GAME ON!!!

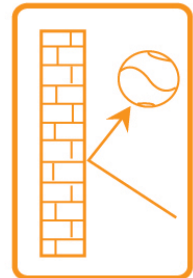

Pacific School Games 2008

ISSUE FOUR

A huge thankyou to everyone, particularly to the team officials, for their support and the extra work they undertook for the completion of our uniform ordering over the past 2 weeks. Hopefully everything will fit and we will look the part in November as we represent School Sport NT in Canberra.

We had great support from all regions of our Territory for the raffle, with prizes going to the Alice, Darwin, Katherine and Arnhem area. For a full list of prize winners please visit our website. We estimate to have raised close to \$14000 for the team with many students raising at least \$100 for themselves and in some cases more. Special thanks to our prize donors and discounters.

Accommodation needs have been sent to Canberra, but as yet our exact location has not been advised. As soon as we know, we will advise you.

Team meetings are being confirmed with all sports in all regions in the next couple of weeks. We will give specific details to the individual groups shortly.

The excitement is building as our training times and group meetings increase in frequency and importance. Keep training and ensure your payment schedules are maintained. We will need to start paying travel and registration components shortly, so please make sure you are up to date, as we cannot pass on your name for registration, if you have not made sufficient payments.

HELEN TAYLOR

GENERAL MANAGER

A message from the Assistant General Manager, Trevor Read.

All flights are now confirmed and we are in the process of finalising the coach times. Once this is completed I will send out final information regarding which competitors are on what flights, flight numbers and times, arrivals and departures.

Thanks to those parents who have informed me that their child will not be returning with us to the Territory at the end of the games. I will be in touch shortly to confirm alternate arrangements and contact details. Unfortunately no further changes can be made without forfeiting the cost of the airfare.

Several officials and competitors have been enquiring about adding their frequent flyer numbers to bookings. As we are still unsure who will be flying Qantas and who Virgin, it will be much easier to show your frequent flyer number at check-in to receive points.
